Monthly Report: October 2022
Submitted By: Dean Smith

October is Fire Prevention Month and Fire Prevention Week is October 9th thru 15th. The National Fire Protection Association has selected "Fire Won't Wait, Plan Your Escape" with an emphasis on smoke alarms and home fire escape plans as their 2022 campaign slogan.

Fire Prevention Week looks a little different this year. Many of our traditional events and activities have returned as we emerge from the Covid 19 Pandemic. The Lake Shore Fire Department will host the Town Memorial Service on Sunday, October 9th at 1 pm.

I have been collaborating with school officials and my fire safety colleagues from other departments to try and figure out new ways to deliver

our various safety messages and programs to our community. The Town Fire Service will be hosting an Open House at Greece Ridge Center Mall on Saturday, October 8th. Each agency along with the Greece Police Department, Monroe Ambulance, Town of Greece Highway Department and the Greece Central School District will be on hand with static displays. This year families will be able to park their vehicles and walk through the static displays. Each agency will focus on a different safety message. This event has become an annual event and has replaced our traditional Fire Prevention Week Open House.

Our annual “Win A Ride To School On A Fire Truck” contest is taking place this month. Students and their families are asked to make a home fire escape plan and have a fire drill in their home to enter the contest. One lucky student from each school will be selected for the grand prize of riding a fire truck to school in the morning.

I have begun scheduling my fall, fire safety visits in the classroom. This past week I was able to present programs at the Villa of Hope. I was unable to gain access to the Villa last year due to Covid.
